

## PRESS RELEASE

Eindhoven (NL), 22 April 2025.

### **Bleckmann in the top 3 of the 2025 edition of Emerce 100**

Bleckmann has once again distinguished itself in the e-business sector. In the twentieth edition of the Emerce 100 published today, Bleckmann achieved an excellent score of 5 stars in the Fulfilment Warehousing category. This puts Bleckmann among the absolute best in the sector.

‘Once again, we have achieved a top-3 position in our category with no less than 5 stars!’ says Jurrie-Jan Tap, Chief Business Development Officer at Bleckmann. ‘We are proud of this recognition and remain committed to continuous improvement and offering innovative solutions for our e-commerce and omnichannel customers. Thanks to Emerce for the recognition and congratulations to all the other companies on the list!’

#### **Bscale – a unique logistics solution**

As a new development in e-business, among other areas, Bleckmann is embracing collaboration with smaller companies and introducing Bscale – an innovative logistics solution for start-ups and growing brands. The solution offers the advantages of professional fulfilment on the right scale and changes the way start-ups and scale-up brands can manage their supply chains. Bscale is designed to empower smaller businesses and offers a fully digitalised, self-service logistics experience that combines flexibility, scalability and cost efficiency.

#### **About Emerce 100**

The Emerce 100 is the annual special edition in which decision-makers from the online industry give their opinion on the performance of service providers in e-business. What once started as a list of 100 companies has now grown into a comprehensive overview divided into dozens of categories. Performance is rated on a 7-point scale, with a maximum of seven stars, based on research conducted by Motivaction and enriched with relevant market data.

#### **About Bleckmann**

Bleckmann is a market leader in supply chain management (SCM) services for fashion and lifestyle brands. Founded in 1862, Bleckmann evolved from a transportation company to a provider of complete supply chain solutions with specific expertise in e-fulfilment. From its strong base in Europe, the company expanded into the US and Asia, enabling Bleckmann to serve customers around the world. Its investments and extensive experience in IT solutions ensure that Bleckmann offers a unified platform to its customers worldwide. Around 6500 team members are ready to support Bleckmann's customers and fulfil their promises every day. With sales of 641 million euros (revenue 2024), Bleckmann has the scale and flexibility to provide world-class solutions for its customers.
